Oakmont Health Careers Academy Informational Meeting

All Parents and Interested Students:

Please join us in the Oakmont Library for an informational meeting.

Students who join Oakmont's Health Careers Academy will receive complete and rigorous academic preparation for post-secondary education. Academy graduates have been accepted at universities all over the United States including all of the UC's and CSU's, and private colleges like Emory, Stillman, and USF.

The Health Careers Academy offers a three-year high school program, beginning in the sophomore year, for students interested in exploring and preparing for the many different and exciting careers in health care.

Students who attend will receive information about:

- Preparation for College and other Post-Secondary Training
- 3-year plan for courses they will take at Oakmont
- Integrated Curriculum
- Extra Support for Academic and Non-Academic Challenges
- Participation in a Pre-professional Organization
- Personal Recognition and Incentives
- Leadership Opportunities
- Field Trips & Guest Speakers
- Job Shadowing & Internships

Parents who attend will:

- Hear an overview of the academy program
- Learn about the content of academy courses
- Meet academy teachers and our healthcare partners
- See the benefits to past students who have been in our academy
- Discuss requirements for joining the academy
- Hear current students and parents talk about the academy
