

# Seniors LOCAL SCHOLARSHIPS

February 1, 2012 –February 29, 2012

The RJUHSD Local Scholarships are scholarships offered by the local businesses and organizations in Roseville to the senior students in our district. **All seniors are encouraged to apply.**

Follow these instructions:

- Click on the Local Scholarship Booklet download for a list of the scholarships available and an application. Each scholarship requires a completed **Application** and **Personal Statement**.
- If the scholarship requires a "**Special Application**" then you must fill out and submit only that application. Special Applications are obtainable in the College & Career Center - room 503.
- If the scholarship you are applying for asks for a "**Special Essay**", then submit that essay in place of the Personal Statement.
- Only attach "**Letters of Recommendations**" to those scholarships requesting them.
- If a **Transcript** is required for any local scholarship, the College & Career Center will automatically provide that for you. Do not request a transcript from the front office.
- The **College & Career Center** will complete the information on Page 2 of the application entitled "For Office Use Only".
- Applications and information required can be stapled together. **Do not put in special folders or attach any additional information unless requested.**
- The College & Career Center Tech will submit all the completed applications to the various service clubs. The service clubs will determine the scholarship winner(s) and they will be announced at Oakmont's AMA Awards Ceremony.

**COMPLETED APPLICATIONS MUST BE RETURNED TO THE COLLEGE & CAREER CENTER**

**BY WEDNESDAY, FEBRUARY 29TH - 3:00 p.m.**
